Products Liability Litigation***  
**Case No. 3:16-md-02738-FLW-LHG**

Dear Judge Wolfson,

As Your Honor is aware, the PSC and Imerys have recently raised a discovery issue regarding the document production and privilege log of Mr. William Kelly. I conducted a conference call with the PSC, Imerys, and Mr. Kelly's counsel on November 5, 2018. In order to determine whether I will need to review all 8,000 documents in dispute, the Parties have agreed to work together to narrow the issues and disputed documents. While the Parties seek to narrow and resolve the dispute, I have advised the Parties that I will hold the dispute in abeyance.

Please do not hesitate to contact me should you have any questions.

Respectfully submitted,
